

ABOUT BINARY UNIVERSITY

Rated as a **5-STAR (Excellent) University** by the Ministry of Higher Education, Binary University which was established in 1984 is a specialist university for Management, IT and Entrepreneurship. The university produces a unique breed of graduates called **Industry Specialist Professional (ISP) graduates** who are equipped with industry-specific skills. In addition to this, all of its graduates are provided with extensive entrepreneurial skills to enable them to climb the corporate ladder faster.

Binary offers **PhDs, Doctorate, Masters as well as Bachelor degree** programmes and is patronized by **international students from over 60 countries**. Binary degrees are also being offered in Europe, Africa, Middle East, the Indian Sub Continent and Central Asia.

The university is supported by 5 dedicated **research centres in Social Entrepreneurship, Business Entrepreneurship, Women Leadership, Advanced Management and ICT**. The university also produces a peer reviewed journal called International Journal of Management and Entrepreneurship (IJME) which is subscribed internationally.

INTERNATIONAL RECOGNITION

Binary University is an ISO9000 Certified University. The University degrees are recognized internationally including by the UNESCO Directory of Higher Education Institutions (Geneva), Association of Commonwealth Universities (UK) and International Association of Universities (France). Its degrees are all recognised by

ABOUT HOLY CROSS COLLEGE

Holy Cross College (Autonomous), Tiruchirappalli in India is one among the oldest colleges for women in South India. It is run by the Sisters of the Cross of Chavanod, Province of Tiruchirappalli. It is a Catholic Institution established in 1923 when higher education for women was considered almost a transgression. It has been in the fore front of women's education for 95 years and is marching towards the centenary.

In recognition of its services to the cause of women's education for several decades, the college was granted autonomous status in 1987, by the Bharathidasan University. It was accredited by NAAC (National Assessment and Accreditation Council) in 1999 with 5 stars and re-accredited in 2005 with 'A' grade and Nationally Accredited (3rd Cycle) in 2012 with A grade with 3.5 on a 4.0 scale, by NAAC. The college was recognised by U.G.C as "College with Potential for Excellence" in October 2011 and the CPE status has been extended till 2022. As per the National Institutional Ranking Framework NIRF by MHRD, the college was ranked 26th for the year 2017 and 42nd for the year 2018.

DIPLOMA Leading to the BA/BSc Degrees

Binary degrees are currently offered in over 21 authorized Global Teach-Centres (GTC) around the world. Each GTC is audited and validated for quality assurance by the university before it is allowed to offer any of its degree.

Holy Cross College (HCC) which is a leading institution in Tamil Nadu with a rich history has been authorised to deliver the following diplomas leading to relevant degrees.

■ Diploma in Business Management leading to the BA (Hons) Business Management	■ Diploma in Professional Accounting leading to the BA (Hons) Accounting	■ Diploma in Computer Science leading to the BSc (Hons) Computer Science
--	---	---

In this partnership, students who have successfully completed the 2 Year Diploma awarded by HCC will transfer to Binary University to complete the final year (Year 3) of the relevant degree.

ISP, BTP & GRADUATE EMPLOYABILITY

All Binary graduates are equipped with Industry Specialisations in addition to the internationally recognized Bachelor Degree. As the only University in the world that equips its graduates to become Industry Specialist Professional (ISP) graduates, graduates of Binary University enjoy outstanding graduate employability. ISP is provided at no cost to students from our GTCs.

In addition to the ISP, students from GTCs undergo the Binary Transformation Program (BTP) where they are equipped with the necessary skills to be job ready.

DEGREES + ISP + BTP = HIGHLY EMPLOYABLE GRADUATES

“ As a specialist University, we differentiate our graduates by transforming them to become Industry Specialist Professional graduates or ISPs. Binary's graduate employability rate of 96% which is among the highest in the country speaks volume of the power if ISP. ”

TESTIMONIALS

Mira

My parents were worried for me but i am happy to say the staff at Binary University are caring and gave the moral support. I am even working part-time now !!!

Claire

The degrees from Binary University is recognized internationally, which mean I can work anywhere around the world. This is one reason why I chose Binary University.

Harishwaran

I get to mix with international students from many other countries and learn different cultures. It has given me the confidence to work anywhere in the future.

Abduraufov Dostoebek

Although I had many offers to do my degree, I chose Binary University because it is the only university that equips its graduates with ISP. I know the ISP will give me a major competitive edge in the job market.
